Lakehead Amateur Radio Club

The January 1966 meeting of the L.A.R.C. was attended by:

Ed Babudro - VE3ECU,	Errol Tarnow - VE3FSE,
Dave Kimpton - VE3AVS,	Wolfe Boggs,
Les Harris - VE3AYZ,	Danny Diaczun, and SWL's
Jack Read - VE3ECG,	Ken,
Chris Bailey - VE3EDV,	Kim,
Barrie Walker - VE3EES,	Reg; and
Bill Klemacki - VE3EEW,	Lloyd Montgomery.
Dough McCormack - VE3EFC,	

The L.A.R.C. will attempt to secure QSL cards free from EXPO 67. Some discussion was made on this point.

Les Harris - VE3AYZ reported the Lakehead Search and Rescue will be operating a course of instruction on maps, compasses, rope and first aid in mid-February. Amateur Radio Operators would be only too welcomed.

Errol Tarnow - VE3FSE reported Net Traffic in and out of the Lakehead was at a low ebb. Doc also mentioned possibility of a L.A.R.C. appearance on CKPR-TV. Bill Klemacki - VE3EEW suggested a DX sked be arranged for the occasion.

Ed Babudro - VE3ECU suggested the L.A.R.C. initiate the 1st Northwestern Ontario Certificate. The idea would be given due consideration by the executive.

Jack Read - VE3ECG gave an interesting talk on his experiments with SSB filters.

Dave Kimpton - VE3AVS brought along his SB-34 four band xcvr.

P.S. The Lakehead Amateur Radio Club entered 1966 with \$66.99 to its advantage. The funds will be used to cover expenses for the L.A.R.C. annual banquet.
